A wholesale food supplier and manufacturer serving restaurants, takeaways, caterers, and foodservice businesses.

Introduction

Restaurants, takeaways, caterers, and foodservice businesses need dependable suppliers that can provide consistent products, reliable quality, and ingredients suited to their menus. Whether a business serves shawarma wraps, grilled meat platters, breakfast meals, pizzas, or sandwiches, choosing the right wholesale food partner can make everyday kitchen operations easier.

Golden Delight Foods is a Birmingham-based food manufacturer and wholesale supplier serving food businesses across the UK. Established in 1990, the company has developed a product range that includes shawarma, doner, gyros, marinated chicken, rashers, Steak Canadian, and a variety of toppings. Businesses looking for a **Shawarma Manufacturer**, a rashers supplier, or a wholesale toppings distributor can explore the range through the official Golden Delight Foods website.

Shawarma Manufacturer for Restaurants and Takeaways

Shawarma is a popular Middle Eastern-style meat dish enjoyed in wraps, pitta breads, platters, and takeaway meals. Its distinctive flavour comes from carefully selected seasonings and marinades, while the traditional cooking method involves stacking meat in layers on a vertical rotisserie and slowly roasting it.

As a **Shawarma Manufacturer**, Golden Delight Foods offers several shawarma flavour options designed for foodservice businesses. Its range gives restaurants and takeaway operators choices for creating different menu styles and serving customers with varied flavour preferences.

Shawarma Flavours Available

- **Tikka Shawarma:** A rich, warmly spiced flavour with a distinctive tikka-inspired profile.
- **Peri Peri Shawarma:** A bold, spicy option with a zesty taste for customers who enjoy stronger flavours.
- **Tandoori Shawarma:** Prepared with classic tandoori-style spices for a fragrant, deeply seasoned flavour.
- **Mediterranean Shawarma:** A balanced, herb-infused flavour inspired by Mediterranean cooking.
